

# LUTON SCHOOL GAMES VIRTUAL CHALLENGE

## NATURE NINJAS

Introducing our Nature Ninjas programme, we encourage all schools to get involved and reap the benefits of physical activity and outdoor learning. Six weekly cross curricular activities leading up to an adventure day to enjoy!

### WEEK 1

#### Adjectives Game

- Each child will need a card with an adjective written on it
- Ask them to collect as many natural and man made objects linked to that objective as they can in 5 minutes
- What items did they find? Can they use the adjective to construct some descriptive sentences?

### WEEK 2

#### Cross the River

- Each group lines up on one bank of the 'river' with some sports equipment - cones, spots etc
- The task is to use equipment to cross the river, making sure that each team member crosses safely
- Which group can complete this most effectively and safely?

### WEEK 3

#### Magic Carpet Challenge

- Ask each group to stand on a separate mat (magic carpet)
- The task is to turn the 'carpet' over so the whole group are standing on the other side
- There are only two rules - no lifting anyone up and no contact with the ground

### WEEK 4

#### Hopscotch

- Make a hopscotch out of broken branches/twigs or other items you find outside at your school
- What materials work best to create your hopscotch?
- How many variations can you make up of the game?

### WEEK 5

#### Archery

- Create a target on a wall
- How many times can you hit the target in 2 minutes?
- Closest to the centre scores more points
- Can you beat your personal best?

### WEEK 6

#### Creating hanging decoration (medal)

- What shapes can be used to create a hanging decoration?
- What different materials can you find around your school site to make your decoration?
- Do certain materials work better than others? Why?
